Hello Sheila,

Attached please find the technical directive detailing the technical support requested for the Confederated Tribes of Warm Springs, who are located in Oregon.

Wenona has discussed this idea with some of the tribal leadership. They are interested in moving forward and have invited her to meet with the full Tribal Council on 10/28.

During that meeting she will seek any final input and the green light to begin.

Please let us know next steps. We look forward to working with you.

Thank you,

Debra
